## **Introduction**

AIIMS Bilaspur, located in Himachal Pradesh, is a premier medical institution set up by the Government of India through the Ministry of Health & Family Welfare under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY). The institute has been created to strengthen advanced healthcare services in regions that previously lacked access to high-quality tertiary medical facilities. As part of the national vision to expand medical education and enhance the availability of trained healthcare professionals, AIIMS Bilaspur functions on the framework established by the Act of Parliament for the new AIIMS institutions, modeled after AIIMS New Delhi. The institute integrates patient care, medical teaching, and research, offering modern training in various disciplines of medicine, nursing, and allied health sciences. AIIMS Bilaspur offers academic programmes including MBBS, MD, MS, DM, M.Ch., M.Sc. Nursing, B.Sc. (Hons.) Nursing and other academic courses approved by the respective statutory bodies. Medical programmes are recognized by the National Medical Commission (NMC), while Nursing programmes are governed by the Indian Nursing Council (INC). The institute aims to emerge as a centre of excellence that contributes to improved healthcare outcomes in the Himalayan region and beyond.

## **Aims & Objectives**

The Post Basic Diploma Courses in Nursing at AIIMS Bilaspur aim to prepare competent, skilled, and professionally sound nurses with specialized knowledge and advanced clinical skills in their respective areas of nursing practice. The programs are designed to strengthen the clinical capabilities of registered nurses and enable them to deliver high-quality, evidence-based nursing care in specialized and complex healthcare settings.

The objectives of the Post Basic Diploma Courses in Nursing are to:

1. Develop an in-depth understanding of nursing principles, standards, and practices relevant to specialized nursing care.
2. Enable nurses to apply evidence-based practices in the prevention, management, and rehabilitation of patients with complex health problems.
3. Strengthen critical thinking, clinical judgment, and decision-making skills required in emergency, specialty, and high-dependency care settings.
4. Promote effective communication, leadership, and teamwork skills for functioning efficiently within multidisciplinary healthcare teams.
5. Foster ethical practice, professional responsibility, and accountability in nursing care delivery.

## Post Basic Diploma Courses in Nursing
