Subject: OEM declaration and authorization for Biomedical Waste Barcoding Software

Dear Sir/Madam,

We, Ostron Electronics Private Limited, having our office at 655A/P05, Kursi Road, Lucknow – 226022, hereby declare that we are the original software developer and provider of our Biomedical Waste Barcoding Software Platform.

The platform is designed to support barcode-based identification and tracking of biomedical waste generated by healthcare facilities. Depending on the agreed configuration and scope, its functions may include:

- Barcode-based identification and tracking of biomedical waste.
- Recording of waste collection, handover and related operational events.
- Waste-category-wise data management and reporting.
- Hospital, ward and user management.
- Generation of digital records and reports to support applicable biomedical waste management processes and regulatory compliance.
- Web-based and mobile-enabled access, where included in the deployed solution.

We confirm that Ostron Electronics Private Limited is authorized to offer, license, implement, configure, maintain and provide technical support for this software platform, subject to the applicable tender conditions and the final contract.

We further confirm that implementation, updates, maintenance and technical support will be provided in accordance with the agreed scope of work and contractual obligations.

This declaration is issued for submission to AIIMS Bilaspur in connection with procurement of Biomedical Waste Barcoding Software.

Yours faithfully,

For Ostron Electronics Private Limited
